Powered Overbed - Screen Mount

Power Delivery | 24 hour Operations | Uninterrupted Workflow | Substance Protection | Total Mobility, free movment | Everything On One system

The MediTable puts practicality and patient care first. When patient care is of utmost importance, providing the right platform, both in hardware and software can be a challenge.

We understand the need for patient engagement, which is why we have created this lightweight easy-to-maneuver rolling table which can be used by both patients and staff.

Patients can learn more about the hospital's activity, health and safety, and of course accessing content relevant to their condition. While the staff have a convenient bedside access point for electronic patient records.
