Bytec Healthcare

MediStand™

Marketing Datasheet
Powered Cart with Keyboard Tray

Substance Protection

Total Mobility, free movment

Everything On One system

Features

- Seamless moulding and smooth surfaces for easy cleaning
- Lightweight maneuverability
- Height adjustable
- Integrated cable management system
- Power ready with our Geni-Tec™ power system for power on the go
- Small footprint

The Medi-stand is designed to be lightweight, strong and practical in use. Our stable platform and custom aluminium base is fitted with heavy duty castors making our Medistand capable of withstanding the rigours of hospital environments. All surfaces have been finished for quick and effective cleaning.

Colour coded inserts can be fitted for effective management between departments, or for branding. With a wide range of accessories including the Geni-Tec Power system, then Medi-Stand is truly adaptable to many uses including medical equipment mounting or computer display applications.
